</p><p>Jam tangan bagi kegunaan dewasa atau kanak-kanak yang berfungsi sebagai telefon mudah-alih dengan pengesan kedudukan GPS.</p><p>Dicipta Khas untuk anak-anak anda:</p><p>Anak-anak anda dan remaja amnya memang menggemari telefon mudah-alih. Hadiahkan mereka sesuatu yang unik dan berlainan. Hasil gabungan rekabentuk khas bagi citarasa semasa dengan seni penunjuk waktu analog serta teknologi selular terkini menjadikan anak-anak anda pasti tidak sabar bergaya dihadapan kawan-kawan mereka. Pastikan anda rahsiakan fungsi GPS dari pengetahuan mereka supaya segala gerak-geri dan dimana mereka berada adalah dibawah pemantauan anda sepenuhnya. Bijak bukan...

Khas untuk Keluarga Tersayang:</p><p>
</p><p>Parents give phones to their kids on the hope that if there is an emergency that they will be able to call them instantly. This watch phone comes with a built in GPS tracker, meaning that you as the parents will know exactly where your kid is at any time. Also, you can preprogram GPS locations into the phone watch, and when your child plus the phone enter or leave the designated areas, you will get a message. You also can use the watch as an electronic lease for your kids, as when pair the watch phone to your mobile phone and if the distance reaches over 10 meters, you will be instantly notified by an SMS. You even get remote parental controls such as the ability to bar incoming and outgoing calls to the watch phone. Finally, kids who are truly in trouble and don't have time to try and dial your number will have the ability to send instant SOS calls and GPS location to their parents in case of an emergency. Best of all, you as parents never have to tell your kids how you know where they were when they were skipping class, as the watch phone to them is just a cool present given to them that looks cool and works great.

Pastikan keselamatan anak-anak anda terkawal dibawah pemantauan anda dan teknologi terkini. Hati anda lebih tenang, manakala anak-anak anda pasti gembira menayangkan gajet ditangan mereka dihadapan kawan-kawan mereka disamping fungsi hebat yang bermanfaat sebagai telefon mudah-alih. Ssshhh..!! Jangan lupa merahsiakan fungsi GPS bina dalam, agar anak anak sentiasa dibawah pemantauan anda !
